

NORTHWOODS WILDLIFE AND WETLANDS CLUB

IMPORANT NOTICE:

The Club now has it's own [email: nwwc2021@gmail.com](mailto:nwwc2021@gmail.com)

You will be receiving correspondence from this email account, and if you need to contact anyone in regard to club business please use this email. Your membership renewal is enclosed, and we encourage you to remain a member.

GUN SHOW

We plan on holding the show this year. It will be held on Sunday, July 25th, 8-3 at the Manitowish Waters Community Center. We do need volunteers to set up the tables the Saturday evening prior, and people to work at the entrance doors the day of the show. Bruce Bacon has volunteered to run the show, and if you would be available to help you can contact him at 715-476-0016, or brbacon@centurytel.net

2020

A great year for the Club despite all that was going on. We reached an all time high in memberships at 120, and donations were the best ever. We succesfully completed our grant requirements and now have a restroom in the Educational Center, and other improvements were made in the building as well.

2021

We have a grant submitted for a new trap machine and archery course improvements. No word as of yet on the status. We plan on getting a WDNR inspection of our facility scheduled, and are particularly concerned with keeping the shooting range berms up to their standards. If not, we will immediately start planning to improve them.

Thank you for your continued support!

President,

Chuck Schroepfer
