

NWWC's "2023 DEER CONTEST"

We are having the annual deer contest again this fall, for club members only. One prize of \$50 for the largest buck and a second prize of \$50 drawn at random from everyone (1 ticket per hunter) who enters a deer. Even the does and fawns will give you a chance! Here are the rules:

- A. Contest open only to members of NWWC with dues paid before harvesting the deer.
- B. Contest runs September 16 to December 18, 2023. Have to have entry in to club officer by December 18. Winners announced at NWWC Christmas Party, December 18.
- C. Need witness to sign entry form for biggest buck, verifying measurements. Pictures of big bucks are desirable.
- D. Legally harvested white-tailed deer, harvested in Wisconsin only.
- E. Largest buck will be determined by adding the total number of points over 1 inch high off the outside of beam or tine to the inside spread in inches. (Example: 7 pointer with 15 1/4 inch inside spread equals 22 1/4 points.)
- F. Tie will be broken by drawing name out of hat.
