MEDIA RELEASE

October 18, 2024
For Immediate Release

Mercer Sight-In Day on November 22

Mercer, WI—The Northwoods Wildlife and Wetlands Club hosts its annual Sight-In Day on Friday, November 22, 2024 from 8am to 3pm. It's a perfect opportunity for hunters looking to get ready for the season.

Each fall the Club offers a chance for the general public to sight in their firearms for the fall hunting seasons. The Club's range is located on Range Road, just 5 ½ miles south of Mercer off Hwy 51. The range provides shooting benches, targets, ear plugs, use of spotting scopes, and help with sight-in problems, plus a covered firing line and marshaled supervision.

The event is free and open to the public. The Club will offer a hot lunch of hot dogs, chili, and dessert, along with coffee and hot chocolate. **Donations are welcomed and appreciated.** While you're at the Range, don't forget to purchase a 50/50 raffle ticket.

The Northwoods Wildlife and Wetlands Club is a non-profit organization. New members are always welcome. Donations from the Sight-In will be used to maintain and enhance the Range. For more information on the Club or Sight-In Day please visit nwawc.com.
